

Variety of factors need to be considered before making a final decision of whether to own or rent a house. Weigh down the benefits of both the options and choose accordingly.

Owning A House Means

- You invest in an asset ◀
- There are no restrictions on you ◀
- You can take pride in being a home owner ◀
- Revamp and refurbish it as per your wish ◀
- You can avail tax incentives on home ownership ◀

Renting A House Means

- More flexibility and options to choose from ◀
- Economical & comparatively less expensive option ◀
- You need not worry about regular maintenance costs ◀
- Easy relocation whenever required ◀
- You need not pay real estate taxes ◀
