

Must Have

APARTMENT FEATURES

Apartments are one of the best housing options as they are located amidst the cities and require less maintenance. When hunting for a rental apartment, ensure that it possesses the following features.

FLOOR PLAN

Buildings with an open floor plan always make the apartment look spacious and more usable.

LOCATION

Choose an apartment that provides more convenient lifestyle and is in close proximity to schools, hospitals and shops.

INDOOR SPACE

The space of apartment should be sufficient depending upon its type. For example, a one-bedroom apartment must be at least 50 sqm and 2-bedroom must be of 75+ sqm.

MAINTENANCE

Look for properties that are newly built or those which require least maintenance services. You may hire a professional to inspect the apartment.

ADDITIONAL FEATURES

You may opt for apartments with extra features like off-street parking, private balcony or outdoor areas.
