

Tips To *Stage Your Yard*

Yard adds to the aesthetic value of your property and can help you make a good first impression.

Here are a few tips for staging your yard while staying within the budget.

Keep the lawn clean and power-wash the yard area.

Nicely trim the grass and branches for a clean and groomed look.

Add perennials, potted plants & hanging baskets to brighten up the yard.

Mend the irrigation points and get rid of algae or blocked filters.

Have some seating arrangement to create a cozy nook for conversations.
